

April 28, 2018

Secretary's Report was approved as read on a Jean Boop/Bill Warn motion

Treasurer's Report was approved as read on a Loren/Betti motion. Thank you to Dave Naubauer for the donation.

Welcome new member Brian Tedford.

Old Business:

- Trails are closed. We need to drive the ATV road routes to repost any downed signs from winter.
- Loren researched a new PA system. He has advised that a new system to meet our needs would cost around \$1000. An alternate option would be to rent a system for around \$250 for 3-4 days. He will ask about a rent to own option and verify the retailers return policy and report back.
- Business Appreciation was held on April 14. We had 16 participants and Bill Grammond was the winner of the poker run.
- Need volunteers to sell tickets at the meat raffles on May 5 and May 19. Contact Doris.
- The Youth Turkey Learn-To-Hunt weekend had 16 kids and their mentors and they got 3 turkeys.
- Road clean up will be done by the high school students sometime this week.

New Business

- Northwest Trails meeting is May 1 if anyone is available to attend and report back.
- Open House is May 26. The club will be selling hot dogs at the Stop-A-Sec starting at 8:00 a.m.
- Food and Fun posters are printed. There are some at the club house for members to help distribute. Raffle tickets are also available. Members are asked to help sell tickets. Contact Doris if you would like some books to sell or purchase. Doris received a price from Doucette's for inflatable rental. We agreed to use them as our vendor again this year, but we will provide volunteers to help supervise for a cost savings.

Next meeting is May 19. It is a week earlier due to Memorial Day.

Meeting adjourned on a Loren/Colleen motion.

Respectfully submitted,

Doris Youngquist, Secretary
