Old Business

- Trails are opened and in good condition. Trails will be mowed after June 15. Jon suggested we do maintenance on Short Cut Trail.
- Mark Schroeder from Douglas County Forestry has advised that nothing is allowed in the Park and Ride other than what it was built for. The Town of Wascott will be removing the wood chips.
- There was an article in the Superior Telegram about the Youth Turkey Learn to Hunt weekend that credited the club for providing housing. A link to the article can be found on our Facebook page.

- The Northwoods School Class of 2019 did road club on our section of Highway 53 in exchange for a donation from the club.
- Need volunteers to sell tickets at the meat raffles on June 2 and June 16. Contact Doris if you are interested.
- Need someone to ride trails and repair trail signs as Chuck is unable.
- Open House will be at the Stop A Sec on May 26 during the flea market. Bill and Colleen will be selling hot dogs starting at 8:00. Betti and Sheryl will also be helping to provide information about the club.

- ATV maps are here and need to be distributed.
- Jean received summer pricing from Como for \$1.25. She will get more information on pre-buy.
- Need volunteers to paint the pavilions this summer.
- Food and Fun – The beer trailer has been reserved. We will order the same brands and quantity as last year. Need to review beer prices. Colleen suggested we increase the cake walk to 50 cakes.
