

April 30, 2016 - 4 Seasons Recreational Club Monthly Meeting

Secretary's Report was approved as read on a Mark/Jean motion.

Treasurer's Report was approved as read on a Mike/Loren motion.

Old Business

- Bill groomed the trails and cleared some branches. Douglas County summer ATV trails are open except a section of the Gandy Dancer. Riders should always check the Douglas County website for current trail conditions.
- The youth turkey hunters shot 1 turkey and 14 hunters participated.
- Business appreciation was April 10. There were 26 participants and Colleen Grammond was the winner of the poker run.
- The Club logo contest was announced last month, but no entries have been received to date.
- Greg updated the website. He provided information about adding a Pay Pal or similar option to our website. It was decided that we don't have enough activity to make this feasible.
- We need to clean the groomer and send pictures to Lulich so they can fabricate the parts needed to repair the groomer.
- We need a work day to install signs. Dick and Jack have volunteered to do the east side.

New Business

- Meat Raffles are May 7 and May 21. Anyone interested in volunteering can contact Doris.
- We will have an open house/hot dog sale at the flea market at the Stop-A-Sec on May 28.
- Road clean up is scheduled for May 21 after the next meeting.
- Mark will reserve the games from Doucettes for Food and Fun.
- Raffle tickets and posters have been printed and need to be distributed. Anyone that needs raffle tickets to sell can contact Doris. We only printed 500 tickets, but we need everyone's help to sell them. We need to start collecting door prizes and raffle board items for Food and Fun.
- ATV maps are being printed. They can be picked up at the Tourism office in Superior or Douglas County building in Solon Springs.
- Mark & Deb would like to purchase some gravel. Jean will check the cost and let them know.
- People are going around one of the gates on the trail, so Jon suggested we install a fence.
- An 8th grade student from the Minong Charter School needs to complete a class project by the end of the school year. He submitted a proposal to the Town of Wascott to paint the playground equipment in the ball park and drag the infield. The town agreed to pay the cost of supplies. This project should be completed within the next month.

Meeting adjourned on a Don/Mike motion.

Respectfully submitted,

Doris Youngquist, Secretary
